Extensive Playground Plans Made

School Board Awards Contract For Work To Cost \$16,995.00

A contract for the grading and construction of the school playground was awarded yesterday to Glen C. Bailey, 624 El Centro street, South Pasadena, who submitted the low bid of \$16,995.00.

Under this contract the school board called for the grading of the playground, the construction of retaining walls, cement sidewalks, two tennis courts, a base ball diamond and all necessary fencing.

The playground will be divided into two parts. One for the kindergarten pupils will have all the modern playground equipment so far designed for tiny tots. Slides, swings, sand boxes, etc., will be provided to make recreation more pleasant. The second section for the larger children will also contain necessary equipment, as well as the tennis courts and later on the baseball field.

Landscaping for the playground has been left until the construction work is finished and no definite plans for the shrubbery and flower gardens will be made until after the opening of the school building. Considerable study by the school board will be undertaken after the new building is accepted to determine just what landscaping is necessary to complete to the best advantage, the natural beauties of the school grounds.

The contract for the removal of the old school buildings was awarded Lee Mead, of Pasadena, and these will be taken away as soon as the new school is ready to accommodate the pupils.

W. E. Pratt Is New Head Of The Kiwanis

Club Elects Officers And Delegates To The State Convention

Waverly E. Pratt was elected President of the Kiwanis Club at a meeting of the ten recently elected directors of that organization held on Wednesday evening at the home of R. C. Copenhaver, on Mariposa street.

Frank Spencer was chosen vice-president and H. Clay Reavis is the new secretary and treasurer. Delegates elected by the local club to attend next month's convention of Kiwanians at Oakland are Ray Grant, Gordon Brooks, W. J. Lawless, C. B. Klupek, Mr. Pratt and Mr. Spencer. Gordon Brooks was also elected a district trustee.

The Tuesday meeting of the club this week will be remembered as one of the most interesting of the year due to the remarkably fine talk given on "Fundamentals of Modern Communication" by C. G. Farrow Jr., of the Bell Telephone Company of Los Angeles.

Outlining the progress of civilization from prehistoric days up to the present time, Mr. Farrow interestingly related the history of communication from the first pictures found in the stone age to the latest type of telephones, radio and talking pictures.

M. A. HAWKES COOKS OWN GENEROUS MEALS; KEEPS HIS OWN HOUSE, AT 90; GIVES RECIPE FOR LONGEVITY

By KENNETH MacDOUGALL
Since arriving in Sierra Madre I have rapidly approached the conclusion that perhaps after all Ponce de Leon was not such a dreamer of dreams as history would indicate but that his grave mistake in his search for the "fountain of youth" was that he picked out Florida instead of California.

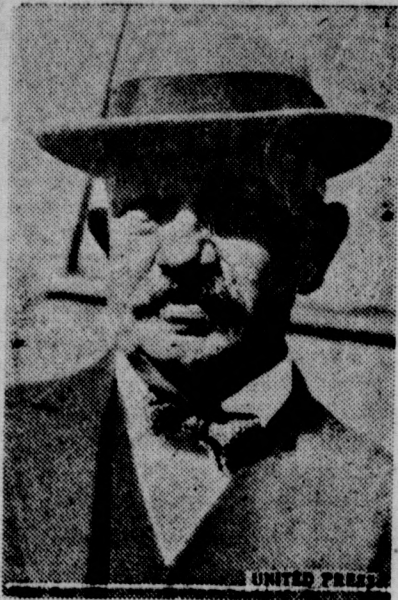

Acting on this theory, I journeyed to the home of M. A. Hawkes at 196 Montecito avenue, to find out just what formula he had used to attain the ripe old age of 90 years which he will have reached when he celebrates his birthday next Wednesday, October 15.

I have seen Mr. Hawkes walking briskly over our hills, chatting cheerfully with friends and acquaintances on our streets but I'll confess I never dawning upon me that he had seen 90 summers pass. When I learned of this fact, I determined to try and discover just what makes him such a young old man.

Seated in the comfortable living room of his home, I put the question to him.

"What," I asked, "do you at-

Admiral John V. Chase, new commander-in-chief of U. S. fleet, arrived in California this week from Washington, D.C. The new commander announced that the major part of the navy's fighting strength will be based in Pacific waters as an augmented battle fleet.

Annexation Move Stirs Altadena To Vigorous Protest

Altadena is greatly wrought up over a petition for annexation to Pasadena circulated among about 2,000 of its population contained in an area of about 500 acres along the North city limits of Pasadena.

The Altadena Chamber of Commerce attributes the annexation move to a Crown City employee and adopted a resolution which it forwarded to the Pasadena directors in which, among other things, it said:

"We respectfully and urgently request that your Honorable Body move to disavow the action of your employee, as not having been sanctioned or encouraged in any way by your honorable body or any of your heads of departments, and to take whatever steps are necessary to prevent the consummation of this movement and to instruct all of your employees to cease such activities thus allowing Altadena to work out her own destiny as a whole and to promote a continuance of our present friendly relations."

COUNCIL PREPARES TO PROTECT CITY'S POLICE AND FIREMEN

Policemen or firemen injured while doing a service for persons or animals when off duty will be eligible to compensation under the Workingmen's Compensation Act upon adoption of an ordinance which was given a first and second reading by the City Council at a meeting held at the City Hall on Wednesday night.

In the past a policeman or fireman who was off duty and injured while rendering a public service, could not collect his pay from the city.

Total warrants were allowed in the amount of \$10,802.11.

EQUIPMENT ARRIVES FOR NEW FIRE TRUCK

New equipment just received by the local fire department includes 300 feet of new hose, a 30-foot trussed extension ladder and a 25-foot extension ladder for the new truck members of the department have been working upon for some time and that is nearing completion.

"AIN'T GONNA RAIN"—OVER THE WEEK END

Despite the rainfall yesterday which registered .04 of an inch in Sierra Madre and .10 of an inch at lower points in the valley, Col. H. B. Hersey, United States Meteorologist at Sierra Madre and Los Angeles, promises ideal weather for Saturday and Sunday.

"I am specializing on good weather for the week-ends," said the genial Colonel, laughingly, "and I believe we will have a clear one this week with moderate temperature; not too warm, but just right for this time of year."

While the summer dry spell was broken by the misty drizzles on Monday and Tuesday of last week, the rain that fell yesterday to the accompaniment of a couple flashes of lightning and as many thunderbolts was the first one to really register, the previous falls being scarcely more than a trace.

Install New Officers Of The Legion

Launch Drive For Support Of \$20,000,000 Home Loan Bond Issue

The annual installation of officers of the Sierra Madre Post No. 297 American Legion was held at the clubrooms in the City Hall Monday night under the direction of District Commander "Billie" Atkinson, of Arcadia Post 247 and Vice-District Commander C. O. Barton of Lamanda Park Post No. 280.

Vincent Fleming, the new Post Commander, was installed amid enthusiastic applause as were his associates in office, Charles Taylor, first vice-commander; Ben Stinman, second vice-commander; E. D. Robertson, Post Adjutant, Colin Hill, Sergeant-at-Arms, and Rev. Father Edwin Roman, chaplain.

The executive committee will consist of H. C. Reavis, Ralph Stewart, William Lassater and L. K. Taylor, while T. W. Neale will be Finance Officer.

Following the installation, District Commander Atkinson asked that a committee be appointed to further the interest of the Veterans' Welfare Bond Act of 1929 which will be the first measure on the ballot on November 4.

Past Post Commander Roy Pickett was chosen as chairman of this committee and later issued the following statement concerning the act in question:

"As I did not enlist from California and am not eligible to any benefits from this bill, my interest in securing its passage is an entirely impartial one. There seems to be some confusion in

Help For The Disabled At Card Party

Snappy Entertainment Arranged For Soldiers' Welfare

Mrs. Phillip W. Senour, chairman of the Soldier Welfare Committee of the Woman's Club has completed all plans for the Annual cabaret and card party to be held tomorrow night at the local clubhouse.

On the program will be the Buchanan Brothers in a comedy act entitled "How Near is Close," a quartet of colored singers of considerable merit, a jazz accordion player who will render peppy selections from the pens of famous Broadway composers, Madam de Beaulieu in a charming dance number and Miss Thelma Schulteis in a series of readings.

There will be 26 exceptional prizes for the card players, an unusual program of entertainment for non-players and no effort has been spared to make the affair both an artistic and financial success.

As the proceeds of this event go in their entirety toward making local disabled war veterans more comfortable and their lives happier, it is earnestly requested by Mrs. Senour and her committee that everyone who can possibly attend will do so.

According to all plans this year the entertainment will prove to be well worth seeing as there will be many unlooked for surprises sprung by the performers. Tickets may be purchased from Mrs. F. L. C. Roess, Mrs. William Butts, Mrs. L. M. Campbell, Mrs. Penders and Mrs. Senour and those who have not already done so are requested by the committee to purchase tickets in advance.

The minds of numerous voters concerning it due to the fact that they seem to feel it will increase taxation. I wish it to be clearly understood that the passage of the Veterans' Welfare Act with its \$20,000,000 bond issue does not increase taxation one penny. The war veteran, through it, however, may secure a home on a 5 per cent down payment up to \$5000 or a farm or ranch not to exceed \$7500. This money draws 5 per cent interest and that interest in the aggregate provides additional funds to build more homes. I know of no better way to repay the men who enlisted from California, than to help them secure a permanent home. The Legion has pledged itself to work for the passage of this bill and I believe when its purpose is clearly outlined, there will be little opposition.

Following the business meeting of the Legion the members indulged in social activities for the remainder of the session.

ANOTHER DAM SURVEY NOW SUGGESTED

County Flood Control Engineer Eaton has proposed to the Board of Supervisors that they undertake a survey of a site two miles below the San Gabriel Canyon forks for a 300 foot rockfill dam with a flexible concrete face.

Mr. Eaton further asked for an appropriation of \$40,000 from the maintenance fund to finance the survey which would take about three months and a force of 100 men to complete. The survey embraces the sinking of large test holes in the canyon bed and tunnels on the sides of the proposed location, which is one of three possible for use as an alternative for the originally planned high dam at the forks.

Roadways have been constructed up both sides of the canyon in order that work may be started next Spring in case the survey proves the feasibility of the project.

County Will 'Plant' Wild Turkeys Here

Mountain Area Will Be Turned Into Hunter's Paradise Again

The game reserve in the mountains at Sierra Madre is to be made a propagating ground for wild turkeys.

As an initial move in the project Los Angeles County will plant 50 turkeys in the area at once, according to Superintendent Fred E. Wadsworth of the bureau of recreation and camps. From time to time other birds will be liberated at various places in the mountains and it is Wadsworth's opinion that in less than 10 years they will have propagated to the extent that they will become a general game bird.

The district to be "planted," according to Wadsworth, was once infested with wild turkeys and attracted hunters from all over the southern part of the State. The region is so wild and well adapted to the raising of turkeys that Wadsworth believes it will be possible to declare brief open seasons before 1940.

Through the Izaak Walton League the State has decided upon the establishment of five quail refuges in the foothill district, one to be located in the mountains North of Upland, at once. Attorneys for the State will visit suggested locations next week to make leases of property owners where private property is to be taken for the purpose.

Th refuges will be located where there are no grain fields and where the birds can do no damage. A hatchery will be located at Fontana. At the start of the season, December 1, 1931, it is expected that reserve-propagated birds will be ready for the hunters.

Mountain Lion Romps Around Town

Huge "Cat" Wanders About Lannan Estate On East 1770 Grand View

There have been times when the cry of "mountain lion" has struck terror into the hearts of mountain inhabitants but when Mrs. H. M. Lannan sighted one on her estate on East Grand View avenue Tuesday, she merely watched him long enough to become convinced that he was on a leisurely tour of inspection.

Mrs. Lannan is of the opinion that the lion she saw is well along in years as his color was a dirty grey. She believes he is not sufficiently youthful to do much damage to deer or large stock and that in all probability the marauder was only after small game.

As there were no guns available of sufficiently high power to kill the beast, he was allowed to wend his way unmolested. Rangers however were notified and will be on the lookout for the huge "cat" in case he appears again. The combined bounty for the apprehension of the outlaw is approximately \$120 and local hunters may take the trail if sufficiently fresh tracks are discovered.

BUSINESS OF LOCAL POSTOFFICE SHOWS A 24 PER CENT GAIN

Postmaster Jessica H. Wright reports a 24 per cent increase in postal receipts here for July, August and September over the corresponding period for last year.

An additional auxiliary carrier has been authorized by the Post Office department and Herbert Munson has been appointed to the position. Postmaster Wright is of the opinion that this additional carrier will speed up mail delivery as it will take considerable burden off the other three routes in the zone.

"UNCLE WIGGILY'S" BIRTHDAY TO BE CELEBRATED IN CITY PARK BY HUNDREDS OF CHILDREN

"The committee is undecided about daylight fireworks, but we'll have a good band, a truckload of ice cream and cakes, some prizes and all that and there'll be about every sort of game that children know and care about and I'm sure we'll all have a real good time," said Oliver T. Weidman as he sat among a group of eight or ten school children at the Park House last night.

To be the central figure in the biggest birthday party ever staged in Sierra Madre, "Uncle Wiggily"

Weidman was discussing with the "committee" the details of the entertainment that he plans to provide in the City Park in connection with the celebration of the 66th anniversary of his birth on Saturday afternoon of next week, October 18.

RED CROSS CHAPTER FORMED BY ST. RITA'S SCHOOL CHILDREN

The Washington office of the American Red Cross has just granted a charter to the St. Rita's Parochial school for the purpose of conducting a Junior Red Cross chapter in Sierra Madre.

Sister Ameliava who recently arrived from Boston, has been appointed chairman of the chapter and it is her intention to carry on Junior Red Cross work here among the children of the parish. As she has had considerable experience in similar work in the East it is expected that under her leadership the pupils of St. Rita's will form an enthusiastic reinforcement to local Red Cross activity.

PUPILS GET FIRST AID TRAINING AS THEY "PLAY" WITH RED CROSS EQUIPMENT AT SCHOOL

Working with equipment loaned by the local chapter of the Red Cross, pupils of the St. Rita's grammar school are enthusiastically above as they give a practice South demonstration in first aid. Under the direction of Miss Coll Barker the children are to be of service in emergencies, earthquakes, fire, etc. Beginning of carrying injured persons, stretchers, etc. and mod-
youngsters opportunity to learn rapidly by practicing on their fellow-students. In this way the element of play creates added interest and awakens a desire to make the best showing possible in their work.

In a Social Way

SUTHERLAND-O'BANION

NUPTIALS

Katherine Lorraine O'Banion, daughter of Mr. and Mrs. A. E. O'Banion of Camillo street, and Howard T. Sutherland, son of Mrs. Mabel Sutherland, were united in marriage by Rev. W. D. Ogg at Bethany church at 8 o'clock on Tuesday evening.

The bride, gorgeously gowned in ivory satin, princess fashioned, with tulle veil richly appliqued in lace and held in place to a lace cap with orange blossoms and carrying a shower bouquet of white gardenias, roses and lily of the valley, was given in marriage by her father.

Mrs. Wendell F. Walker, in pastel green with a short veil and carrying peach-colored roses, attended the bride as matron of honor. Miss Clarice Bishop, cousin of the bride, gowned in blue and carrying yellow roses, served as bridesmaid. Little Jeanne Sutherland, niece of the bridegroom, was the dainty flower girl.

George O'Banion, brother of the bride, was groomsmen, while Wendell F. Walker, Lloyd S. Todd, Boyd Keith and Roy L. Stevens ushered.

The church was banked in greenery and floral decorations making a beautiful setting for this prettily appointed wedding.

Merrill Jensen furnished the music during the seating of the guests and accompanied the three soloists, C. L. Custer, Roy L. Stevens and Mrs. Roy L. Stevens, on the piano during their selections. Oscar Rasbach played the wedding march. A reception was held to over 200 guests in the rotunda immediately after the ceremony.

Mr. Sutherland passed the California State Bar examination recently. He is connected with the Ohio Oil company.

After a honeymoon in the north, Mr. and Mrs. Sutherland will reside in Alhambra.

MRS. PRATT ENTERTAINS

WOMAN'S SOCIETY

Mrs. R. A. Pratt entertained the Women's Society of the Congregational church at a silver tea Tuesday afternoon at her beautiful home, 336 Sturtevant Drive. The house was attractively decorated with fall flowers. Seventy-five ladies called during the afternoon. Mesdames George Morggridge, R. C. Copenhaver, C. M. Campbell, J. L. Asbury, Mrs. Myrtle Hill and Miss Edna Green assisted the chairman, Mrs. H. W. Glidden, and the hostess, Mrs. Pratt, with the serving. Mrs. E. E. Bacon and Mrs. R. S. Corlett poured tea.

BRILLIANT OPENING OF SOCIAL SEASON AT THE WOMAN'S CLUB

By MRS. WAVERLY E. PRATT
Press Chairman, Woman's Club

The initial fall luncheon of the Sierra Madre Woman's Club was held October 8th, and was charmingly presided over by the President, Mrs. E. E. Bacon. The stage decorations were in charge of Mr. and Mrs. Conard and were made lovely with flowers from their own garden. Mrs. Emile Smith artistically decorated the luncheon tables with hanging baskets of flowers in the autumn hues, with contrasting colors of ribbon bows and streamers. A director of the club was hostess at each table.

Honor guests of the day were Mayor and Mrs. Al S. Myers, president of the Chamber of Commerce R. S. and Mrs. Davies, president of the Kiwanis C. B. and Mrs. Klunk and Rev. A. O. Pritchard.

Invocation was given by Rev. Pritchard, followed by a talk by Mrs. E. E. Bacon, club president, in which she asked all members when they spoke or thought of the club to think—"Loyalty." At the close of her talk Mrs. Bacon was presented with a beautiful bouquet of flowers.

Miss Laura Cadmus as program chairman presided during the afternoon program.

Mrs. Mab Copeland Lineman gave a comprehensive address on "Business and Protective Law for Women." Mrs. Lineman has given lectures at the University of California in Los Angeles since 1923. She is the author of "The Law of Common Things in California," approved and listed by the state board of education for use in the high schools.

She has been instrumental in putting in the Santa Barbara college a short course on law. She said we should not only teach our children how laws are made but teach them law and how to use it.

Prof. Gustave Rihard gave a group of piano numbers which were enthusiastically received. His numbers were: "Why?" and "Soaring," by Schumann, and the extremely difficult "Rhapsody No. 12," by Liszt.

"The Jacobs Kiddies," Jane Marie, 6, and Billy Dean, 7 years of age, who have just completed a two year contract on the Orpheum circuit, and the talented children of Mr. and Mrs. L. J. Jacobs of Alhambra, gave some character and acrobatic dancing in a manner that was far advanced for their tender years.

Mrs. M. R. McBurney had charge of the luncheon. Mrs. Harriet Wright was hostess for the charter members' table which numbered 12. Mrs. C. W. Jones presided over the birthday table.

All together the opening day was a big success and club members have something to look forward to as all future programs will be of the same high standard.

DECIDE ON FUTURE OF THE FORUM

Dr. Frederick W. Roman will meet with members of the Forum at the club house on October 22, at 8 p.m. when it will be decided whether or not the Forum will be continued here or unite with the Pasadena Town Meeting. This October 22nd meeting will be open to the public. The Forum this year will be independent of the Woman's Club.

Mrs. John H. Robertson was luncheon guest of Dr. Roman at the Friday Morning club this week.

WELFARE SECTION TO STUDY LEGISLATION

The Public Welfare section will meet every Thursday at 12 noon at the club house. Mrs. J. W. Lawless, chairman of this section, announces that the subject "Legislation," will be studied during October. This section will study during the year, Legislation and Taxation, Industrial Relations and Institutional Relations.

On Thursday, October 16, they will study the measure authorizing the \$20,000,000 bond issue for homes and farms for war veterans. The subject will be presented by a representative of the State Department of Veterans and Military Affairs.

Mrs. E. T. Pierce, past president of the club, will lead a discussion of proposed Federal Legis-

lation for free employment bureaus.

All Sierra Madre Women and men whether club members or not, are urged to attend these meetings during October, so as to study and better understand these important measures that will appear upon the ballot at the November election.

Those attending bring a picnic lunch and coffee will be served.

"POMEROY'S PAST" DURING THE FLOWER SHOW

"Pomeroy's Past," under the direction of Mrs. Milton Steinberger, and presented by the Sierra Madre Woman's Club, promises lots of laughs. Many and amusing are the complications that are bound to arise when two bachelors suddenly decide to adopt children. The one, Pomeroy, who is the central figure of the play, has been suppressed and depressed by his dominating elder sister, Amanda, until when he breaks loose, there is great astonishment on all sides. Further complications arrive from the fact that Mary Thorne, whom Pomeroy loves, is engaged to the other bachelor, Edward Marsh, though she loves Pomeroy and would have married except for the interference of Amanda.

In short, "Pomeroy's Past" will offer an entertaining evening. This play will be given Saturday, October 25, at 8 p.m. in connection with the Flower Show.

CLUB NOTES

Mrs. J. H. Robertson attended the Federation district committee meeting in Los Angeles, of which she is a member.

Mrs. J. H. Robertson and Mrs. Emile Smith attended, on Saturday, the Junior Woman's Conference at the Federation Headquarters in Los Angeles.

CLASSMATES HONOR GEORGE B. MORGRIDGE ON HIS BIRTHDAY

George B. Morggridge, former editor of THE SIERRA MADRE NEWS, was guest of honor at a surprise birthday dinner given Saturday night at his home, 19 West Orange Grove avenue.

Yellow flowers were used in decorations for the occasion and favors and cake bearing tall lighted candles were in shades to match. Guests present, all classmates of Mr. and Mrs. Morggridge at U.S.C., were Dr. and Mrs. J. P. Copp, Hollywood; Mr. and Mrs. W. E. Hunter, Mr. and Mrs. Merrill Russell, Mr. and Mrs. Kenneth Payne, Glendale.

Mr. and Mrs. William Matson were the guests of Mr. and Mrs. Norman Jensen last week-end.

H. Gregor of Fraiberg's Jewelry company attended the regular meeting of the San Gabriel Valley Jeweler's Association at the Pasadena Athletic Club Thursday evening.

What To Plant — What To Do

By JESSIE WARD RUSSELL

MORE ABOUT FRUITS THAT WILL GROW HERE

HERE is more interest in tropical and sub-tropical fruit trees here than most anywhere else in Southern California because the climatic conditions in Sierra Madre seem more favorable to the production of more varieties than elsewhere and because many of our people have gone into their cultivation not only for the unusual and delicious fruits they are able to enjoy, but for the interest and satisfaction that is found in growing them.

The papaya is a tropical plant and will thrive here only under the most favorable conditions. We believe they could be grown successfully in a few warm sheltered spots in the upper parts of Sierra Madre. In fact there are a few people who are experimenting in growing some in locations like Scenic Point and Mariborough Terrace.

In Hawaii the papaya is the universal breakfast fruit. It takes the place of our melons in the diet. The fruit contains a medicinal quality called "papain" which possesses the power of digesting proteins, the same as pepsin. This gives the fruit added value for those who suffer from digestive troubles.

The plant grows rapidly. It resembles, somewhat, a castor-bean

plant in growth although the main stem becomes quite thick. The fruit is all produced on this main stem.

Not all papaya plants bear, as there are male and female types. It is necessary to plant several plants in a group so that you will get some bearing plants. According to a bulletin from the Hawaiian Experimental Station, it is possible sometimes to change a non-bearing tree to a bearing one by heading the tree back or by just removing the terminal bud. The papaya should bear in its second year.

The mango, too, is a truly tropical fruit and can only be grown in most favorable spots in Sierra Madre. I have eaten mangoes grown here, so I know that it can be done.

It makes a small, handsome tree. The fruit is the shape of a short fat banana and yellow or orange in color. It has one large seed.

The varieties that are grown here are not freestone, but in India where they are at their best, many of the varieties are quite freestone. The varieties that are grown here are probably seedlings from Mexican varieties.

Mr. Miller, at the top of North Auburn avenue, has planted about 50 mango trees and expects to grow them commercially.

We are very anxious to see how he comes out in this venture. I believe he will have a small crop this year. His location is very favorable for subtropical horticulture.

CLEARINGS OF DISTRICT
The Pasadena Clearing House Association is authority for the statement that bank clearings in this district show a decided gain in deposits and total check transactions.

While September clearings were some \$3,811,847.48 behind September, 1929, total check clearings for the month made a three million dollar gain over August of this year. This is taken as an indication that general business in the entire Pasadena territory is increasing.

cake, each holding an electric lamp representing the candles.

Within the cake will be 28 "jewels" represented by little girls of from 3 to 4 years and 56 "ornaments" represented by girls from 7 to 8 years old and of uniform size. There will be an "outer guard" consisting of 28 boys under 10 years old and of uniform size and six junior college girls will act as "inner" guards.

The formation of the cake has been rehearsed by the key figures. Word of the unusual feature has reached Hollywood and news reel companies have asked permission to take a picture of the spectacle.

Then come the stunts that "Uncle Wiggily" stages at the birthday parties of the youngsters to whose homes he has been invited and in which he is a central figure. A program of these has been prepared. The names of them and the children who will represent the various characters are as follows:

The Program

Alligator crawl, Charlene Rasbach; loop the loop, Marian Williams; under swing, Margaret Adwell; elephant feet, Marjorie Pickett and Russell Jensen; waist flop, Dorothy Parmenter; Bucking broncho, Ben Callahan; tick-tock, Betty Jo Adams; slicker slide, Leona High; frog jump, Gloria Anderson; bumpersault, Loretta Delvecci and Bobby Young; one foot swing, Idella Taylor; dead man, Marjorie Lea Vernez; waddling duck, Frances Robertson; shoulder flop, Bonnie Lass; over the top, Dorothy Wilson; back bend, Jane Terry; knee flop, Mildred Ostehoudt; drop in the basket, Lois Arlene Wilson; climb the mountain, Bevelah Davis; human rocker, Patricia Adams; airplane swirl, Marjorie Croan.

All of these events have been rehearsed, but that isn't all of the program by any means. There will be stunts by other children who have not been rehearsed and games invented by Uncle Wiggily at which all may play together.

Mr. Weidman's home is really in Long Beach, but because of the delightful climate of Sierra Madre he spends most of his time here to the general delight of the little folk.

Following the death of his son in a football accident in Minneapolis in 1913, Mr. Weidman crushed by his loss, decided to make a trip to the Hawaiian Islands in an effort to avert a nervous breakdown. In 1918 he suffered another breakdown and took up his abode in the lake region of Minnesota where he spent a great deal of time fishing and hunting.

Won A Nickname

At the hotel where he was staying he became a great friend of the children of the community and their devotion to him soon healed the wound in his heart caused by the death of his boy

and gave him a new interest in life.

At that time he made a practice of giving his little friends a stick of "Black Jaw Breaker" candy which would soon be smeared all over the faces of the little ones. This gave him an idea for a "Dirty Face Party" given to all the children at the resort and he offered prizes for the child attending with the most grotesque dirty face, caused by eating the aforementioned candy.

"Uncle Wiggily" soon became his nickname and from that time he has been known to hosts of little friends by this appellation taken from the nationally known character.

When he came to California he devoted even more time to children. If he heard of a youngster who was ill, he would visit his little friend and carve out of soap an image of comic proportion designed to amuse the little invalid. This practice led to his attendance at children's birthday parties.

To repay all of his little acquaintances who have entertained him in the past, "Uncle Wiggily" is giving the enormous birthday party next Saturday.

EXPENDITURES OF AMERICAN TOURISTS ABROAD ENORMOUS

Figures showing that American tourist expenditures abroad for 1929 amounted to 15.2 per cent of this nation's total commodity exports were reviewed in a report issued by the All-Year Club, Southern California's national tourist advertising organization. America's commodity exports during last year were valued at \$5,490,000,000 while, by way of comparison, American tourist expenditures in foreign countries amounted to \$839,000,000 or 15.2 per cent of the United States foreign trade volume.

"This shows an increase of 88.9 per cent over the \$444,000,000 spent by American sight-seers in foreign countries during 1923, or a 14.8 per cent average annual increase, according to United States Department of Commerce statistics," Malcolm McNaughten, a director of the All-Year Club said yesterday.

"TENYA," AN INDIAN, WILL BE STATE'S NEXT GOVERNOR

Few people know that California's next governor is a descendant of John Rolph, husband of the famous Indian princess, Pocahontas. Mayor Rolph revealed this fact when a Yosemite tribal leader recently adopted him into the tribe and crowned him with an Indian headdress. He received the name of "Tenya" which means sunny disposition.

Collection of the gross receipts tax on passenger and freight motor carriers of California netted the state \$389,563 during the past six months, according to a report by state controller Ray L. Riley. The counties get \$194,791 as their share.

RELIEF FROM CURSE OF CONSTIPATION

A Battle Creek physician says "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called Rexall Orderies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming the habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderie at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store.

Rolph Has A Problem In Agriculture

Southland Offers A Candidate For Director of State Agriculture

By HOMER L. ROBERTS
United Press Staff Correspondent

SACRAMENTO, October 10.—(UP)—One of the toughest decisions James Rolph Jr. will be called upon to make when he becomes governor of California next January is whether to retain George H. Hecke as director of the state department of agriculture.

Some of Rolph's closest advisors have frankly admitted they are going to see that he is not reappointed. On the other hand, the California director of agriculture has powerful support in many of the farm organizations of the state.

When Friend W. Richardson

Favorite Dishes of Sierra Madreans

WITH the height of the tomato season at hand the favorite chili sauce recipe of Mrs. W. S. Andrews is timely. It follows:

One medium sized onion, 18 large ripe tomatoes, 3 green peppers. Chop fine. Cook until tender. Add 1 cup sugar, 2½ cups vinegar, 2 tablespoonsful salt, one teaspoonful each of all kinds of spice. Cook all together. Bottle for use.

This is the favorite recipe of Mrs. W. J. Lawless for broccoli which is now plentiful: Soak in salted water. Steam or boil in uncovered kettle until tender, adding half an onion or a clove of garlic. Lift branches carefully to hot plate and serve with melted butter or any desired salad dressing.

became governor in 1923 everyone confidently expected to see Hecke retired from office, as it was generally known that Richardson was none too friendly to him.

But lo and behold! When the time came for appointing a director, Richardson found himself faced by a most formidable group of farm leaders, including leaders in Richardson's own campaign and men upon whom he knew he must depend for support in his forthcoming administration. So Hecke was reappointed.

Dudley Moulton, San Francisco agricultural commissioner whose views on agriculture are as opposite from those of Hecke as they can be, is Rolph's first choice for director.

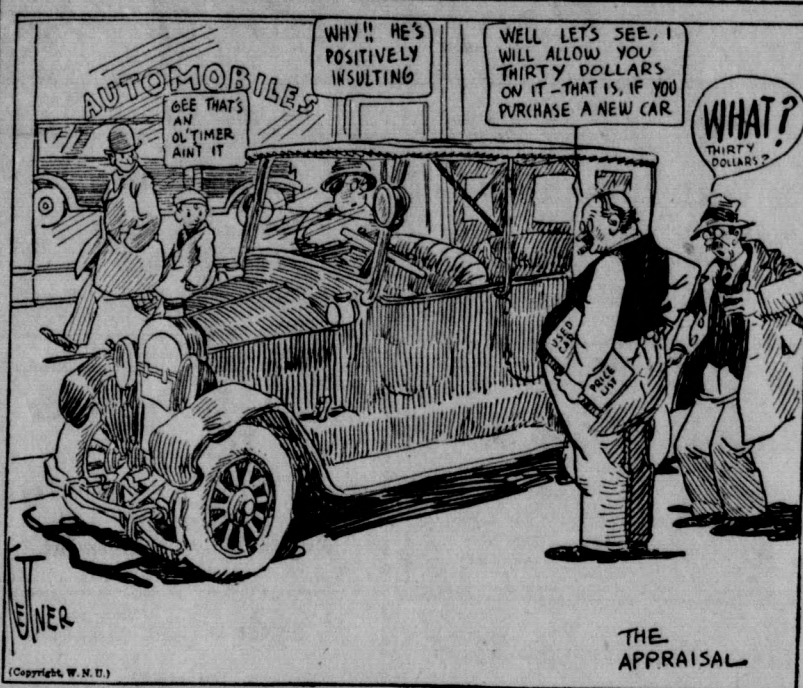

Recently Southern California farmers offered the name of A. A. Brock, county agricultural commissioner of Orange county, as a possibility. Another mentioned for the post is Robert Wilson of the State Chamber of Commerce. Hecke is a practical dirt farmer. He owns 200 acres in orchards and vineyards at Woodland and a like acreage for dairying.

BANK'S REPORT SHOWS IT IS PROSPERING

The quarterly statement of the Sierra Madre Savings bank for the period ending September 24th, published in this issue of THE NEWS, shows a substantial increase in the undivided profits in addition to the usual dividend paid in September. Directors of the bank feel that this augurs well for continued prosperity of the institution and that increasing deposits may be looked for as soon as general business conditions show a marked upward trend.

RESOLUTION OF INTENTION

No. 500

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SIERRA MADRE DECLARING ITS INTENTION TO ORDER THE IMPROVEMENT OF MONTECITO AVENUE, AND A PORTION OF LIMA STREET IN THE CITY OF SIERRA MADRE, AND DECLARING SAID WORK OR IMPROVEMENT TO BE OF MORE THAN LOCAL OR ORDINARY PUBLIC BENEFIT, AND DESCRIBING THE DISTRICT TO BE BENEFITED BY SAID WORK OR IMPROVEMENT AND TO BE ASSESSED TO THE COSTS AND EXPENSES THEREOF; AND DETERMINING THAT SERIAL BONDS SHALL BE ISSUED TO REPRESENT SAID COSTS AND EXPENSES, AND FIXING A TIME AND PLACE FOR HEARING OBJECTIONS TO SAID WORK OR IMPROVEMENT OR TO THE EXTENT OF THE DISTRICT TO BE ASSESSED OR BOTH.

The City Council of the City of Sierra Madre do resolve as follows:

SECTION 1: That the public interest and convenience require, and that it is the intention of the City Council of the City of Sierra Madre to order the following street work and improvement to be done, to-wit:

(a) That Montecito Avenue between the easterly line of Tract No. 5065 as per Map recorded in Map Book 53 Page 99, Records of Los Angeles County and the Westerly line of Lima street, be improved by certain grading and by the construction of certain three (3) inch Durite Asphaltic Concrete Pavement, cement curbs, concrete gutters, and cement sidewalks, except where said curbs or sidewalks have already been constructed, and also by the construction of certain concrete pipe culvert and appurtenances and a certain corrugated iron and concrete culvert with lateral intakes, wing walls, and appurtenances.

(b) That the westerly one-half of Lima Street between a line three feet northerly from and parallel with the easterly prolongation of the northerly property line of Montecito Avenue and a line fifteen feet southerly from and parallel with the easterly prolongation of the southerly property line of Montecito Avenue, be improved by certain grading and by the construction of certain three (3) inch Durite Asphaltic Concrete Pavement, cement curbs, concrete gutters, and cement sidewalks, and also by the construction of a certain corrugated iron and concrete culvert with lateral intakes and wing walls.

SECTION 2: That all of the work aforesaid shall be done in accordance with and to the grade shown on Improvement Plans, Profiles, Cross-sections, and the Sketches numbered 50, 50A, 50B, and Standard Plan No. 1 on file in the office of the City Engineer of said City of Sierra Madre, and in further accordance with Special Specifications for said work on file in the office of the City Clerk of the said City of Sierra Madre.

All Improvement Plans, Profiles, Cross-sections, Sketches, and Special Specifications above mentioned were adopted by Resolution No. 496 of said City of Sierra Madre, and the same are hereby made a part of this Resolution and are hereby referred to for full and detailed description of said proposed work or improvement and for the description of the grade to which the work is to be done and are hereby made a part hereof.

All Streets and Avenues referred to in this Resolution are public streets of said City of Sierra Madre.

SECTION 3: That said contemplated work or improvement in the opinion of the City Council of said City of Sierra Madre is of more than local or ordinary public benefit, and the said City Council hereby makes the expense of said work or improvement chargeable upon a district, which district said City Council hereby declares to be the district benefited by said work or improvement and to be assessed to pay the costs and expenses thereof, which said district shall be all that portion of the City of Sierra Madre included within the colored boundary line on Map No. 50-C as adopted by Resolution No. 496 of said City of Sierra Madre and on file in the office of the City Clerk of said City, excepting from said district the area of all public streets, alleys, and

places contained therein. The said map on file shall govern for all details as to the extent of the said assessment district.

SECTION 4: The said City Council also determines and declares that serial bonds bearing interest at the rate of seven (7) per cent per annum shall be issued to represent each assessment of twenty-five dollars (\$25.00) or more remaining unpaid for thirty (30) days after the date of the warrant. Said serial bonds shall extend over a period ending nine (9) years from the second day of January next succeeding the 15th day of the next November following their date. Payments on the principal of unpaid assessments and interest shall be made by the property owners to the City Treasurer and the same shall be disbursed by him, all as provided in the "Improvement Act of 1911," hereinafter referred to.

SECTION 5: Notice is hereby given that Wednesday, the 22nd day of October, 1930, at the hour of 7:30 o'clock P.M. of said day, is the day and hour, and the Council Chamber of the City Council of the City of Sierra Madre, in the City Hall of said City, is the place fixed by the said City Council, when and where any and all persons having any objections to said proposed work or improvement or to the extent of the district to be assessed or both, may appear before said City Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

SECTION 6: All the proceedings for the aforesaid improvement and for the issuance of said bonds shall be had and taken under and in accordance with an Act of the Legislature of the State of California, known and designated as the "Improvement Act of 1911," approved April 7, 1911, and under all Acts supplementary thereto and amendatory thereof.

SECTION 7: Reference is hereby made to the License Agreement of the Durite Asphalt Company of America, dated August 16, 1930, and on file in the office of the City Clerk of the City of Sierra Madre.

SECTION 8: The Superintendent of Streets of said City shall immediately post or cause to be posted conspicuously along the line of said contemplated work or improvement, and along all the open streets within the district liable to be assessed, notices of the passage of this Resolution in the manner and form required by law.

SECTION 9: The City Clerk shall certify to the passage of this Resolution and shall cause the same to be published twice in the Sierra Madre News, a weekly newspaper of general circulation published and circulated in said City of Sierra Madre, and hereby designated for that purpose. Said City Council does not deem it advisable that the City Clerk mail copies of "Notice of Improvement" to the owners or reputed owners of the property within the said assessment district and the mailing of such notices is hereby dispensed with.

Adopted and approved this 26th day of September 1930.

LESTER K. LAYTON,
Acting Mayor of the City of Sierra Madre, California.

ATTEST:

ELMER A. GREEN,
City Clerk of the City of Sierra Madre, California.
STATE OF CALIFORNIA,
CITY OF SIERRA MADRE ss:

I, ELMER A. GREEN, City Clerk of the City of Sierra Madre, do hereby certify that the foregoing Resolution of Intention was duly adopted by the City Council of the City of Sierra Madre, State of California, and signed by the Acting Mayor at an adjourned regular meeting of the said Council, held on the 26th day of September 1930, and the same was passed by the following vote, to-wit:

A YES: Councilmen Reavis, Stewart, Layton and Lees.
NOES: None.
ABSENT: Myers.

Along the Paths of Yesterday

A History of Sierra Madre from the files of The NEWS.

FRIDAY, OCTOBER 4, 1907—

A thunder storm yesterday brought a good downpour and the first rain of the season, which lasted for half an hour.

Dr. W. Jarvis Barlow was chosen dean of the Medical College of U.S.C. on Monday.

Council has adopted an ordinance of intention to improve Mt. Trail avenue from Live Oak to Carter avenue.

FRIDAY, OCTOBER 6, 1911—
A reception was tendered Dr. George H. Cornell in celebration of the second year of his pastorate at the Church of the Assumption.

A schedule of events for the club year was arranged at a luncheon tendered the Woman's Club officers by Mrs. M. D. Welsher.

FRIDAY, OCTOBER 6, 1916—

Three and a half inches of rain fell in the first fall rain of the season that began on the morning of September 30 and continued until noon, October 2.

Martin Olsen has sold his shoe store to Hearsch brothers, of San Bernardino.

H. T. Fennell has associated himself with a Pasadena real estate firm and will specialize in foothill properties.

FRIDAY, OCTOBER 7, 1921—
"Sierra Madre Uppermost" has been suggested as a slogan for the city by J. O. Stevenson, an "organization engineer" engaged by the chamber of commerce.

Mrs. Josephine R. Adams, wife of A. N. Adams, died on Saturday, as a result of injuries she sustained in an automobile accident on Labor Day.

The Western Building and Loan Association of Salt Lake City,

COOL WEATHER WARNING FROM THE FIRE CHIEF

Cool nights and mornings now coming on with the fall season are reminders to fire department officials that gas heaters will soon be put into use and that residents are again to be subjected to the danger of poisoning and asphyxiation from carbon monoxide gas. Records show there were many victims last year who might have been living now had they used reasonable precaution, points out Fire Chief W. D. Richards.

"One is a complete inspection of all gas fixtures and appliances to see that they are not faulty and are of proper type," he said.

Birthday Greetings

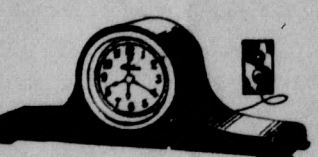

THE NEWS extends birthday greetings and its best wishes this week to the following Sierra Madreans:

Body Keith Oct. 5
Mrs. Al Wheeling Oct. 6
Augusta C. Thayer Oct. 7
Dorothy Ranahan Oct. 7
Kathryn Dowling Oct. 8

The gas company is willing to co-operate in this work and will make the inspection if desired. "Householders should make it a point never to light a gas heater without opening a window at least four inches at the top," the fire chief said. A basin of water on the heater will aid in counteracting any poisonous fumes. The heater season also makes necessary the clearing of rubbish and all kinds of combustibles from all places where heaters are kept and used, especially from all contact with heater vents.

"A little wisdom at the beginning of the season," declares the chief, "will save property, health and lives."

Just a Minute!

That's all it takes to "plug in" a Telechron, set it correct—and thereby assure yourself of accurate time always.

Fire Flames

By one of the boys

TONIGHT is Meeting night of course, I hope you all know that—
So kiss the wifey dear "good evening" as you don your fireman's hat.

Just tell her that you won't be home, 'till half past nine or ten.

And if you join the South West Corner Club, you may not be home then.

Last meeting night was not so bad, the questions we discussed

Were relative to business,—we shall conquer them or bust.

The party of the seventeenth is planned and all arranged;

So come and meet your neighbors there, lest you become estranged.

Our town has taken on a "spurt" we hope it is a fact,

We see by last week's paper, that on the Canyon tract

They expect to do some paying on those slippery, sliding

roads

That bounce you from your breakfast, and your quality

unloads.

We are wondering if the ball grounds, they're proposing at

the school,

Is for children only, or if dad could break the rule

And accompany his son there, just to make the old bat crack

Even tho' it puts rheumatics in the middle of his back.

It's a shame to have such talent as Bob Babbit go to waste;

He's about the worst ball hurler, that a player ever faced.

And Vern Udell at short stop, with the Chief defending first

Frank Lovell down at second base, the field would be traversed.

We hope it won't be very long, until our new truck is completed

And hope the "celebration" tho't has never been defeated.

The boys worked hard to finish this (the writer is excepted),

However any praise or prong is heartily accepted.

The Chief and Jim Heasley were suddenly overcome by a desire to visit Las Vegas, Nevada, to learn about the "Hoover Dam" location. They are back again and equipped to converse on the topic.

As we are approaching winter, a lot of us will connect up the gas heaters. Some of us will use a hose and some of these hose will be last year's. 'Tis best to give a thorough examination of the connections. Although we have an inhalator, we would rather not use it for anything but practice work.

RESOLUTION NO. 508

IN THE MATTER OF ACQUISITION AND IMPROVEMENT DISTRICT NO. 2 OF THE CITY OF SIERRA MADRE.

RESOLUTION OF INTENTION

BE IT RESOLVED by the Council of the City of Sierra Madre as follows:

SECTION 1.

That the public interest, convenience and necessity demand and require that it is the intention of the said City Council to order the acquisitions of public ways in said city hereinafter stated, and that it is hereby found and determined that the property stated herein as the property to be acquired and taken for such acquisitions is necessary therefor; and that said acquisitions are as follows, to-wit:

FIRST: The widening of portions of Woodland Drive in said city between its Southern termination in Sturtevant Drive and the Northern line of Tract No. 2456, as said Northern line of Tract No. 2456 is shown on Sheet No. 2 of a map recorded in Book 24, page 37, of Maps, Records of Los Angeles County, State of California, and that the property necessary to be acquired and taken for said widening is an easement for a public highway over and across the following described lands, to-wit:

PARCEL 1:

All of that portion of Lot F in Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 1 of a map recorded in Book 24, page 36, of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the most Southern corner of said Lot F; thence North 49°-26' East along the Easterly line of said Lot F a distance of 14.55 feet to a point, said point being 150.45 feet South 49°-26' West from the Northeast corner of said Lot F, said point also being the beginning of a curve concave to the Northeast and having a radius of 2.5 feet; thence Southwesterly and Northwesterly along said curve a distance of 7 feet to a point in the Westerly line of said Lot F, said point being 139.19 feet South 29°-56' West from the Northwest corner of said Lot F; thence South 29°-56' West along the said Westerly line of Lot F a distance of 14.55 feet to the point of beginning.

PARCEL 4:

PARCEL 48: All that portion of Lot 161, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 2 of a map recorded in Book 24, page 37 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the Northwesterly corner of said Lot 161; thence South 21°-42' East along the Westerly line of said Lot 161 a distance of 21.95 feet to the Southwesterly corner of said Lot 161; thence South 74°-32' West along the Southerly line of said Lot 161 a distance of 5.28 feet to its intersection with a curve concave to the Southwest, said curve having a radius of 40 feet; thence Northwesterly along said curve a distance of 180.48 feet to its intersection with the Northerly line of said Lot 161, said point of intersection being 194.17 feet Westerly from the Northwesterly corner of said Lot 161; thence North 80°-50' West along the said Northerly line of Lot 161 a distance of 9.41 feet to the point of beginning.

PARCEL 49: All that portion of Lot 162, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 2 of a map recorded in Book 24, page 37 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at a point in the Westerly line of said Lot 162, said point being 5.58 feet South 21°-42' East from the Northwesterly corner of said Lot 162; thence South 21°-42' East a distance of 16.37 feet to the Southwesterly corner of said Lot 162; thence South 80°-50' West along the Southerly line of said Lot 162 a distance of 9.41 feet to its intersection with a curve concave to the Southwest, said curve having a radius of 40 feet, said point of intersection being 194.17 feet Westerly from the Northwesterly corner of said Lot 162; thence Northwesterly along said curve a distance of 22.95 feet to the point of beginning.

PARCEL 49: All that portion of Lot 162, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 2 of a map recorded in Book 24, page 37 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at a point in the Westerly line of said Lot 162, said point being 5.58 feet South 21°-42' East from the Northwesterly corner of said Lot 162; thence South 21°-42' East a distance of 16.37 feet to the Southwesterly corner of said Lot 162; thence South 80°-50' West along the Southerly line of said Lot 162 a distance of 9.41 feet to its intersection with a curve concave to the Southwest, said curve having a radius of 40 feet, said point of intersection being 194.17 feet Westerly from the Northwesterly corner of said Lot 162; thence Northwesterly along said curve a distance of 22.95 feet to the point of beginning.

PARCEL 9: All that portion of Lot 144, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 2 of a map recorded in Book 24, page 37 of

Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the Northwesterly corner of said Lot 144; thence South 7°-36' East along the Westerly line of said Lot 144 a distance of 13.68 feet to a point, said point being the beginning of a curve concave to the South, having a radius of 11.61 feet; thence Northwesterly and Northerly along said curve a distance of 20.13 feet to a point in the Northerly line of said Lot 144, said point also being the beginning of a curve concave to the Southwest having a radius of 30 feet; thence Southwesterly along said curve a distance of 27.94 feet to its intersection with the Northerly line of said Lot 144, said intersection being 13.19 feet South 21°-42' East from the Northwesterly corner of said Lot 144; thence North 21°-42' West a distance of 13.19 feet to the Northwesterly corner of said Lot 144; thence North 88°-14' West along the Northerly line of said Lot 144 a distance of 32.50 feet to the point of beginning.

PARCEL 10: All that portion of Lot 207, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 2 of a map recorded in Book 24, page 37 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the Southwesterly corner of said Lot 207; thence South 88°-14' East along the Southerly line of said Lot 207 a distance of 12.73 feet to a point, said point being the beginning of a curve concave to the North, having a radius of 15 feet; thence Northwesterly along said curve a distance of 21.11 feet to a point in the Westerly line of said Lot 207; thence South 38° East along the Westerly line of said Lot 207 a distance of 12.73 feet to the point of beginning.

That the above described property is to be acquired for public highway purposes and is to be called, upon its acquisition, Alta Vista Drive.

SIXTH: The widening of portions of Vista Circle Drive between its Easterly termination in Alta Vista Drive and its Westerly termination in Vista Circle Drive, and that the property necessary to be acquired and taken for said widening is an easement for a public highway over and across the following described lands, to-wit:

PARCEL 52: All that portion of Lot 371, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at a point in the Northerly line of said Lot 371, said point being 11.84 feet South 9°-27' East from the Northwesterly corner of said Lot; thence South 9°-27' East along the said Northerly line of Lot 371 a distance of 0.04 feet to a point; thence South 24°-05' West along the Southwesterly line of said Lot 371 a distance of 9.04 feet to a point, said point being 12.34 feet Northerly from the Southeast corner of said Lot 371, said point also being the beginning of a curve concave Westerly and having a radius of 30 feet; thence Northwesterly along said curve a distance of 17.56 feet to the point of beginning.

PARCEL 53: All that portion of Lot 382, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at a point in the Southeastly line of said Lot 382, said point being 1.35 feet South 28°-54' West from the most Easterly corner of said Lot 382, said point also being the beginning of a curve concave to the Northwest, said curve having a radius of 30 feet; thence Southwesterly along said curve a distance of 29.07 feet to a point in the Southerly line of said Lot 382, said point being 14.43 feet Easterly from the most Southerly corner of said Lot 382; thence North 84°-25' East along the said Southerly line of Lot 382 a distance of 15.79 feet to a point; thence Northwesterly along the Northerly line of said Lot 382 a distance of 15.79 feet to the point of beginning.

PARCEL 54: All that portion of Lot 279, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the most Easterly corner of said Lot 279; thence South 45°-43' West along the Southeastly line of said Lot 279 a distance of 11.08 feet to a point, said point being 28.92 feet Northerly from the most Southerly corner of said Lot 279, said point also being the beginning of a curve concave Northerly and having a radius of 30 feet; thence Northwesterly along said curve a distance of 10.92 feet to its intersection with the Northerly line of said Lot 279, said point of intersection being South 55°-38' East

102.36 feet from the most Northerly corner of said Lot 279; thence South 55°-38' East along the said Northerly line of Lot 279 a distance of 2 feet to the point of beginning.

PARCEL 55: All that portion of Lot 278, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the most Southerly corner of said Lot 278; thence North 5°-11' East along the Easterly line of said Lot 278 a distance of 11.08 feet to a point, said point being 28.92 feet South 5°-11' West from the most Easterly corner of said Lot 278, said point also being the beginning of a curve concave to the Northwest, having a radius of 30 feet; thence Southwesterly along said curve a distance of 10.30 feet to its intersection with the Southwesterly line of said Lot 278, said intersection being 102.36 feet South 55°-38' East from the most Westerly corner of said Lot 278; thence South 55°-38' East along the said Southwesterly line of Lot 278 a distance of 2 feet to the point of beginning.

That the above described property is to be acquired for public highway purposes and is to be called, upon its acquisition, Vista Circle Drive.

SEVENTH: The widening of portions of Oakdale Drive between its Southerly termination in Sturtevant Drive and its Northerly termination in Vista Circle Drive, and that the property necessary to be acquired and taken for said widening is an easement for a public highway over and across the following described lands, to-wit:

PARCEL 56: All that portion of Lot 330, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the Northwesterly corner of said Lot 330; thence South 34°-29' East along the Westerly line of said Lot 330 a distance of 21.41 feet to a point; thence South 43°-45' East along the said Westerly line of Lot 330 a distance of 20.60 feet to a point, said point being 15.40 feet North 43°-45' West from the most Southerly corner of said Lot 330, said point also being the beginning of a curve concave Easterly, having a radius of 20 feet; thence Northwesterly and Northerly along said curve a distance of 21.52 feet to the end of same and the beginning of another curve concave Westerly, said last mentioned curve having a radius of 38 feet; thence Northerly along said last mentioned curve a distance of 12.04 feet to its intersection with the Northerly line of said Lot 330, said point of intersection being 97.07 feet Westerly from the Northwesterly corner of said Lot 330; thence North 88°-16' West along the said Northerly line of Lot 330 a distance of 23.63 feet to the point of beginning.

PARCEL 57: All that portion of Lot 303, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the most Northerly corner of said Lot 303; thence South 34°-29' East along the Northerly line of said Lot 303 a distance of 37.53 feet to its intersection with a curve concave to the Northeast, said curve having a radius of 41 feet, said point of intersection being 53.40 feet North 34°-29' West from the Southeast corner of said Lot 303; thence Northwesterly along the said curve a distance of 36.40 feet to its intersection with the Westerly line of said Lot 303, said point of intersection being 34.98 feet North 28°-54' West from the most Westerly corner of said Lot 303; thence North 28°-54' West along the said Westerly line of Lot 303 a distance of 6.11 feet to the point of beginning.

PARCEL 58: All that portion of Lot 300, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the Northwesterly corner of said Lot 300; thence South 22°-16' West along the Easterly line of said Lot 303 a distance of 40.26 feet to the Southeast corner of said Lot 300; thence North 61°-05' West along the Southwesterly line of said Lot 300 a distance of 4.55 feet to its intersection with a curve concave to the South, said point of intersection being 74.19 feet South 61°-05' East from the most Westerly corner of said Lot 300; thence Northwesterly and Northerly along said curve a distance of 42.22 feet to its intersection with the Northerly line of said Lot 300, said point of intersection being 68.64 feet South 61°-05' East from the Northwesterly corner of said Lot 300; thence North 61°-05' East along the said Northerly

line of Lot 300 a distance of 5.57 feet to the point of beginning.

PARCEL 59: All that portion of Lot 301, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following

the following described boundary lines, to-wit:

Beginning at the most Southerly corner of said Lot 335; thence North 17°-43' East along the Southerly line of said Lot 335 a distance of 22.27 feet to a point, said point being 19.27 feet South 17°-43' West from the most Easterly corner of said Lot 335, said point also being the beginning of a curve concave to the Northwest, having a radius of 50 feet; thence Southwesterly along said curve a distance of 20.44 feet to its intersection with the Southwesterly line of said Lot 335; thence South 41°-29'-40" East along said Southwesterly line of Lot 335 a distance of 4.78 feet to the point of beginning.

PARCEL 62:

All that portion of Lot 315, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the most Westerly corner of said Lot 315; thence North 20°-52'-30" East along the Northwesterly line of said Lot 315 a distance of 6.94 feet to a point; thence South 71°-28' East a distance of 26.43 feet to the beginning of a curve concave to the Southwest having a radius of 210 feet; thence Southwesterly along said curve a distance of 13.60 feet to its intersection with the Easterly line of said Lot 315, said point of intersection being 98.85 feet South 20°-52'-30" West from the Northeastly corner of said Lot 315. A radial line through said point of intersection bears North 22°-14'-40" East; thence South 20°-52'-30" West along the said Westerly line of said Lot 315 a distance of 8.13 feet to the Southeastly corner of said Lot 315; thence North 69°-07'-30" West a distance of 40 feet to the point of beginning.

PARCEL 63:

All that portion of Lot 314, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the Southwesterly corner of said Lot 314; thence South 69°-07'-30" East along the Southerly line of said Lot 314 a distance of 77.46 feet to the Southeastly corner of said Lot 314; thence North 15°-02' West along the Easterly line of said Lot 314 a distance of 4.35 feet to its intersection with a curve concave to the North, having a radius of 25 feet. A radial line through said point bears South 2°-54' West; thence Westerly and Northwesterly along said curve a distance of 10.38 feet to the end of same; thence North 63°-35'-20" West a distance of 49.77 feet to the beginning of a curve concave to the Southwest, having a radius of 210 feet; thence Northwesterly along said curve a distance of 15.27 feet to its intersection with the Westerly line of said Lot 314, said intersection being 98.85 feet South 20°-52'-30" West from the most Northerly corner of said Lot 314; thence South 20°-52'-30" West along the said Westerly line of Lot 314 a distance of 8.13 feet to the point of beginning.

PARCEL 64:

All that portion of Lot 313, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the Southwesterly corner of said Lot 313; thence South 69°-07'-30" East along the Southerly line of said Lot 313 a distance of 3.59 feet to a point; thence North 48°-42'-30" East along the Southerly line of said Lot 313 a distance of 17.67 feet to a point, said point being 23.69 feet South 48°-42'-30" West from the Southeastly corner of said Lot 313, said point also being the beginning of a curve concave to the North having a radius of 25 feet; thence Westerly and Northwesterly along said curve a distance of 19.28 feet to its intersection with the Westerly line of said Lot 313, said point of intersection being 127.73 feet South 15°-02' East from the Northwesterly corner of said Lot 313; thence South 15°-02' East along said Westerly line of Lot 313 a distance of 4.35 feet to the point of beginning.

PARCEL 65:

All that portion of Lot 323, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at a point in the Northwesterly line of said Lot 323, said point being 31.24 feet North 48°-42'-30" East from the Northwesterly corner of said Lot 323, said point also being the beginning of a curve concave to the South having a radius of 30 feet; thence Easterly along said curve a distance of 18.32 feet to its intersection with the Easterly line of said Lot 323. A radial line through said point of intersection bears North 17°-50' West; thence North 0°-03' West along the Easterly line of said Lot 323 a distance of 6.55 feet to the Northeastly corner of said Lot 323; thence North 87°-40'-30"

West along the Northerly line of said Lot 323 a distance of 0.72 feet to a point; thence South 48°-42'-30" West along the Northwesterly line of said Lot 323 a distance of 21 feet to the point of beginning.

PARCEL 66:

All that portion of Lot 324, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the Northeastly corner of said Lot 324; thence South 0°-03' East along the Easterly line of said Lot 324 a distance of 3.38 feet to a point; thence South 87°-43'-50" West 37.83 feet to the beginning of a curve concave to the South, said curve having a radius of 30 feet; thence Westerly along said curve a distance of 2.19 feet to its intersection with the Westerly line of said Lot 324. A radial line through said point of intersection bears North 6°-17'-50" West; thence North 0°-03' West along the Westerly line of said Lot 324 a distance of 6.55 feet to the Northwesterly corner; thence South 87°-40'-30" East along the Northwesterly line of Lot 324 a distance of 10.03 feet to the point of beginning.

PARCEL 67:

All that portion of Lot 325, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the Northwesterly corner of said Lot 325; thence South 87°-40'-30" East along the Northerly line of said Lot 325 a distance of 23.98 feet to its intersection with a curve concave to the Northwest having a radius of 50 feet. A radial line through said point of intersection bears South 16°-18'-55" East; thence Southwesterly along said curve a distance of 12.40 feet to the end of same; thence South 87°-43'-50" West a distance of 11.75 feet to a point in the Westerly line of said Lot 325, said point being 151.92 feet Northerly from the Southwesterly corner of said Lot 325; thence North 0°-03' West along the said Westerly line of Lot 325 a distance of 3.38 feet to the point of beginning.

PARCEL 68:

All that portion of Lot 309, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the Southeastly corner of said Lot 309; thence South 63°-50' West along the Southeastly line of Lot 309 a distance of 23.28 feet to a point; thence North 87°-40' West along the Southerly line of Lot 309 a distance of 4.46 feet to its intersection with a curve concave to the Northwest, having a radius of 30 feet. A radial line through said point of intersection bears South 21°-47'-35" East; thence Northwesterly along said curve a distance of 7.20 feet to the end of same; thence North 54°-27'-40" East a distance of 21.48 feet to a point in the Easterly line of Lot 309, said point being 94.19 feet South 15°-02' East from the Northeastly corner of said Lot 309; thence South 15°-02' East along said Easterly line of Lot 309 a distance of 6.05 feet to the point of beginning.

PARCEL 69:

All that portion of Lot 308, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the Southwesterly corner of Lot 308; thence North 63°-50' East along the Southerly line of said Lot 308 a distance of 34.83 feet to a point; thence North 31°-29' East along the Southeastly line of Lot 308 a distance of 22.01 feet to the Southeastly corner of said Lot 308; thence North 34°-08'-30" West along the Easterly line of said Lot 308 a distance of 2.71 feet to its intersection with a curve concave to the Northwest having a radius of 10 feet. A radial line through said point of intersection bears South 38°-25'-50" West; thence Southwesterly along said curve a distance of 2.02 feet to the end of same; thence South 54°-27'-40" West a distance of 50.60 feet to a point in the Westerly line of said Lot 308, said point being 94.19 feet South 15°-02' East from the Northwesterly corner of said Lot 308; thence South 15°-02' East along said Westerly line of Lot 308 a distance of 6.05 feet to the point of beginning.

PARCEL 70:

All that portion of Lot 307, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the most Southerly corner of said Lot 307; thence North 31°-29' East along the Southeastly line of said Lot 307 a distance of 14.97 feet to a point, said point being 36.35 feet South 31°-29' West from the most Easterly corner of said Lot 307, said point also being the beginning of a curve concave to the Northwest, said curve having a

radius of 40 feet; thence Southwesterly along said curve a distance of 14.14 feet to a point in the Southwesterly line of said Lot 307, said point being 80.10 feet South 34°-08'-30" East from the most Westerly corner of said Lot 307. A radial line through said point of intersection bears South 38°-25'-50" West; thence South 34°-08'-30" East along the said Southwesterly line of Lot 307 a distance of 2.71 feet to the point of beginning.

PARCEL 71:

All that portion of Lot 328, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the most Northerly corner of said Lot 328; thence South 31°-19' West along the Northwesterly line of said Lot 328 a distance of 26.03 feet to a point, said point being North 31°-19' East 118.76 feet from the Southwesterly corner of said Lot 328, said point also being the beginning of a curve concave to the Southeast having a radius of 20 feet; thence Northwesterly along said curve a distance of 12.13 feet to a point. A radial line through said point bears North 23°-56'-10" West; thence South 1°-44'-40" East a distance of 10 feet to a point; thence North 88°-15'-20" East a distance of 5 feet to a point in the Easterly line of Lot 328; thence Easterly North 1°-44'-40" West along the said Easterly line of said Lot 328 a distance of 24.19 feet to the point of beginning.

PARCEL 72:

All that portion of Lot 329, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the most Northerly corner of said Lot 329; thence South 43°-15' East along the Northwesterly line of said Lot 329 a distance of 26.03 feet to a point, said point being 101.78 feet North 43°-15' West from the Southeastly corner of said Lot 329, said point also being the beginning of a curve concave Southerly having a radius of 20 feet; thence Northwesterly along said curve a distance of 14.31 feet to a point. A radial line through said point bears North 5°-15'-50" East; thence South 1°-44'-40" East a distance of 11.33 feet to a point; thence South 88°-15'-20" West a distance of 5 feet to a point in the Westerly line of said Lot 329; thence North 1°-44'-40" West a distance of 24.19 feet to the point of beginning.

PARCEL 73:

All that portion of Lot 332, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at a point in the Southerly line of Lot 332, said point being 38.26 feet South 43°-45' East from the most Northerly corner of said Lot 332; thence South 43°-45' East along the said Southerly line of Lot 332 a distance of 10.88 feet to the Southeastly corner of said Lot 332; thence North 10°-09'-38" East along the Easterly line of said Lot 332 a distance of 2.79 feet to its intersection with a curve concave to the Northeast having a radius of 20 feet; thence Northwesterly along said curve a distance of 9.60 feet to the point of beginning.

PARCEL 74:

All that portion of Lot 333, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

ment concrete curb and rubble retaining wall, together with appurtenances and appurtenant work. That portions of Yucca Trail, widened as proposed herein, between its westerly termination in Woodland Drive and a line drawn across said Yucca Trail at right angles to the center line thereof, through a point on said center line distant thereon 200 feet Northeastly of the center line of Woodland Drive, measured along the center line of said Yucca Trail, be improved by certain grading, the construction of certain Oiled Macadam Pavement, cement concrete curb and gutter, and cement concrete cross-gutter and cement concrete curb.

That portions of Yucca Trail, opened as proposed herein, between its easterly termination in Woodland Drive and its westerly termination in Brookside Lane, be improved by certain grading, the construction of certain Oiled Macadam Pavement, cement concrete curb and gutter, cement concrete cross-gutter and cement concrete curb.

That portions of Brookside Lane, widened as proposed herein, between its northerly termination in Woodland Drive and its southerly termination in Woodland Drive, be improved by certain grading, the construction of certain Oiled Macadam Pavement, cement concrete curb and gutter, and cement concrete cross-gutter, together with appurtenances and appurtenant work.

That a certain bridge with wooden deck and steel girders, all appurtenances and appurtenant work, be constructed in said Brookside Lane, where Brookside Lane crosses the Los Angeles Flood Control Channel, approximately 460 feet southerly of the said northerly termination of Brookside Lane in Woodland Drive.

That portions of Alta Vista Drive, widened as proposed herein, between its northerly termination in Woodland Drive and its southerly termination in Sturtevant Drive, be improved by certain grading, the construction of certain Oiled Macadam Pavement, cement concrete cross-gutters, cement concrete gutters, cement concrete curb and gutter, and that certain rubble retaining wall, footings, appurtenances and appurtenant work, be constructed in the westerly side of said Alta Vista Drive between a point in the said westerly line of Alta Vista Drive opposite a point on the center line thereof approximately 95 feet southeasterly from the said southeasterly termination of Alta Vista Drive in Woodland Drive and measured along the said center line of Alta Vista Drive, and a point in the said westerly line of Alta Vista Drive opposite a point in the center line thereof, distant thereon approximately 253 feet southerly of the said northerly termination of Alta Vista Drive in Woodland Drive and measured along the said center line of Alta Vista Drive; also

That a certain rubble retaining wall, footings, appurtenances and appurtenant work, be constructed on the easterly side of said Alta Vista Drive at a location approximately 150 feet northerly from the said southeasterly termination of said Alta Vista Drive in Sturtevant Drive and measured along the center line of said Alta Vista Drive.

That portions of Vista Circle Drive, widened as proposed herein, between its westerly termination in Alta Vista Drive and its easterly termination in Alta Vista Drive, be improved by certain grading, the construction of certain Oiled Macadam Pavement, cement concrete curb and gutter, and cement concrete cross-gutter and cement concrete curb and gutter.

That portions of Oakdale Drive, widened as proposed herein, between its northerly termination in Vista Circle Drive, and its southerly termination in Sturtevant Drive, and that portions of Sturtevant Drive, widened as proposed herein, between a line drawn across said Sturtevant Drive at right angles to the center line thereof through a point on said center line distant thereon approximately 39 feet westerly from the angle point in the center line of Sturtevant Drive at said southeasterly termination of Oakdale Drive in Sturtevant Drive and measured along the center line of Sturtevant Drive at right angles to the center line thereof through a point on said center line distant thereon approximately 39 feet southerly from the said angle point in the center line of Sturtevant Drive at said southeasterly termination of Oakdale Drive in Sturtevant Drive, be improved by certain grading and the construction of certain Portland cement concrete pavement, cement concrete curb and gutter, and that certain reinforced concrete catch-basins, together with a reinforced concrete storm drain, rubble retaining wall, appurtenances and appurtenant work, be constructed in the southeasterly termination of Oakdale Drive in Sturtevant Drive and in Oakdale Drive between said termination and a line across said Oakdale Drive approximately 75 feet northerly of the said southeasterly termination of Oakdale Drive in Sturtevant Drive.

That portions of Sturtevant Drive, widened as proposed herein, between the southeasterly termination of Lot 15, Tract No. 2456, in the City of Sierra Madre, and the easterly line of said Tract No. 2456, be improved by certain grading and the construction of certain Oiled Macadam Pavement, cement concrete curb and gutter, and cement concrete gutter;

and that a certain reinforced concrete retaining wall, footings, appurtenances and appurtenant work, be constructed on the southerly side of said Sturtevant Drive between a point in the southerly line of said Sturtevant Drive distant approximately 175 feet Northwesterly from the angle point which is the Northeast corner of Lot 321, said Tract No. 2456, and a point in said southerly line of Sturtevant Drive approximately 17 feet Easterly of said angle point.

That portions of Audubon Way between its southerly termination in Sturtevant Drive and a line drawn across said Audubon Way through a point on the center line thereof distant thereon approximately 269 feet Northerly of said termination, measured along said center line, be improved by certain grading and the construction of certain Oiled Macadam Pavement.

The above descriptions and locations of work are general and approximate only and all work shown on the plans and specifications is to be done and performed as shown on and in accordance with said plans and specifications on file in the office of the City Clerk of the City of Sierra Madre, and in case of any conflict of plans and specifications with the Resolution of Intention, said plans and specifications shall control and all work shown on plans and specifications, whether described in this Resolution of Intention or not, shall be constructed.

SECTION 3

All of the foregoing descriptions of acquisitions and improvements are general only and reference is hereby made to the specifications on file in the office of the City Clerk of the City of Sierra Madre and Ex-Officio clerk of the City Council of said City for all details relating to said acquisitions and for the estimated expense of said acquisitions. Reference is also made to such specifications and the profiles, plans and detailed drawings therein for the estimated cost of the improvements proposed herein (inclusive of incidental expenses and costs of the proceeding) and for a full and detailed description and location of said proposed improvements and of the grades to which said improvements are to be constructed. Said specifications have been approved by the City Council of said City and are on file in the office of the City Clerk as hereinbefore stated.

The notice of all persons affected is directed to the grades for the proposed improvement and to the provisions of the Acquisition and Improvement Act of 1925, as amended, relating to grades. Particular notice is directed to the fact that substantial changes in the relation of the elevations of abutting property to that of said public ways as they will exist after being improved, will result from the construction of the above mentioned improvements to the proposed grades.

SECTION 4

That the district of lands which will be benefited by the said proposed acquisitions, work and improvements, to be known as the "Assessment District," shall, as proposed, include (except as hereinafter provided) all that territory in the City of Sierra Madre lying within the following exterior boundary lines, to-wit:

Excepting from said district any lands belonging to the United States Government or to the State of California and any public streets, alleys, avenues, or highways including and parts of streets, alleys, avenues or highways to be acquired as herein proposed.

It is hereby determined that the following described parcel of land, to-wit: Lot "C" of Tract No. 2456, as per map recorded in Book 24, page 37 of Maps, Records of Los Angeles County, California, belongs to said City of Sierra Madre and is in use in the performance of a public function, namely for water development and the maintenance of a swimming pool, and that said parcel shall be omitted from said district and from the levy and collection of the special assessment taxes hereafter to be levied and collected to cover the expenses of the acquisitions and improvements as herein proposed.

The above description is general only and reference is hereby made to the map of said Assessment District approved by the City Council and on file in the office of the City Clerk of said City and Ex-Officio clerk of said City Council which map indicates, by boundary line the extent of the territory to be included in said proposed assessment district, and which said map shall govern for all details as to the extent thereof.

SECTION 5

That in the judgment of this Council, varying benefits to be derived by different parcels of land lying within said Assessment District, require and that therefore said Assessment District (excepting such portions thereof as shall be omitted in accordance with Section Four hereof) shall be divided into three (3) separate zones designated zones 1, 2 and 3. Each of zones as proposed is composed of and includes all the lands within said Assessment District which will be benefited in like measure by said proposed acquisitions and improvements, and each of said zones as proposed is plainly shown on the

map of the said Assessment District, on file in the office of the Clerk of the City of Sierra Madre, to which said map reference is hereby made for the boundaries of, and all details concerning said zones.

That the percentage, as proposed, of the sum to be raised each year by the levy and collection of special assessment taxes in said District from the lands in each of said zones for the payments on the principal and interest of the bonds to be issued to defray the expenses of the things herein proposed to be done, are hereby determined to be as follows:

From Zone 1 95.50 %
From Zone 2 4.384 %
From Zone 3 0.116 %

SECTION 6

That to defray the expenses of the things proposed to be done as above set forth, bonds will be issued to the total amount of the same, said bonds to bear interest at a rate of seven (7%) per cent per annum payable semi-annually, the aggregate principal of all bonds so issued to be paid and discharged within fourteen years after the date of issuance, approximately one-twelfth (1-12) part of such aggregate principal to be payable annually, the first payment of the aggregate principal of the bonds so issued to be made (3) years after the issuance thereof, and the first payment on the interest of the bonds to be issued to be made on the 2nd day of January or the 2nd day of July, (whichever month first succeeds the date of such bonds) next succeeding one year after the date of such bonds. That a special fund for the payment of all of said bonds will be constituted by the levy of special assessment taxes upon all the lands within the assessment district, except as hereinbefore provided, in accordance with the Acquisition and Improvement Act of 1925, as amended, and in accordance with the assessed value of said lands (exclusive of the improvements thereon), and in accordance with the zones and percentages as finally determined by said Council.

SECTION 7

THAT WEDNESDAY, THE 29th DAY OF OCTOBER, 1930, AT THE HOUR OF 7:30 O'CLOCK P. M., OF THE SAID DAY, IS THE DAY AND HOUR AND THE CHAMBERS OF THE COUNCIL OF THE CITY OF SIERRA MADRE IN THE CITY HALL IN THE CITY OF SIERRA MADRE, IS THE PLACE HEREBY FIXED BY SAID CITY COUNCIL WHEN AND WHERE ANY AND ALL PERSONS HAVING ANY OBJECTION TO THE PROPOSED ACQUISITIONS, WORK OR IMPROVEMENTS TO THE PROPOSED GRADES TO WHICH THE IMPROVEMENTS ARE TO BE CONSTRUCTED, TO THE EXTENT OF THE ASSESSMENT DISTRICT, TO THE ZONES INTO WHICH SAID DISTRICT IS TO BE DIVIDED, OR TO THE PERCENTAGES TO BE RAISED FROM EACH OF SAID ZONES, OR TO ANY OF THE FOREGOING MAY APPEAR BEFORE SAID COUNCIL OF THE CITY OF SIERRA MADRE AND BE HEARD. ATTENTION IS HEREBY DIRECTED TO THE PROVISIONS OF THE "ACQUISITION AND IMPROVEMENT ACT OF 1925" AND AMENDMENTS THERETO RELATIVE TO OBJECTIONS AND PROTESTS.

SECTION 8

That the proceedings for said acquisitions, work and improvement shall be had and taken under and in accordance with an Act of the Legislature of the State of California, known as the "Acquisition and Improvement Act of 1925," approved May 23, 1925, as amended, and said bonds shall also be issued in accordance with the provisions of said Act.

SECTION 9

That Henry S. Gerlich, Consulting Engineer, is hereby appointed Superintendent of Work, and his compensation shall be twenty dollars (\$20.00) per day for all time actually devoted to the performance of services prescribed by said Improvement Act of 1925, in connection with the hereinbefore described acquisitions and improvements, and he is hereby ordered to cause to be posted in the manner and form provided in said act, notice of the adoption of this resolution which said notice shall consist of printed copies of this Resolution of Intention entitled "Notice of Public Improvement."

SECTION 10

That the Clerk of this Council shall certify to the adoption of this Resolution and shall cause the same to be published by two insertions in the Sierra Madre News, a weekly newspaper published and circulated in the City of Sierra Madre, which said newspaper is hereby designated for that purpose, and to make all other publications in or incident to these proceedings.

ADOPTED, SIGNED AND APPROVED THIS 1st day of October, 1930.

A REAL GOOD INVESTMENT

MAKE A DRAB LITTLE HOME

S. C. ALUMNI WILL CONTINUE RELATIONS WITH THE UNIVERSITY

The Alumni Association of the University of Southern California has announced the inauguration of a program of continued intellectual relationship of its members with their alma mater, by the installation of a series of mimeographed lectures with suggested additional reference book lists. It will take the form of a special type of correspondence education, reaching Trojan alumni with the Association magazine, the Southern California Alumni Review.

The eight fields following are included in the initial continuation education project of the association to be launched with the November, 1930, issue of the Review. Modern poetry, modern novel, modern drama; American government, politics; Economics, business problems, merchandising; Travel, geography, natural history; Radio engineering and developments; sound engineering; aviation and aerodynamics; television; Child psychology; Art; music; and opera reading; Science; new discoveries in medicine; chemistry.

ROLPH'S "OWN" TOWN TRUE TO ITS PATRON

Few persons know that the town of Rolph, situated in Humboldt county near Eureka, was named for California's next governor. During the war Mayor James Rolph Jr. established a shipyard at the port of Eureka, and Rolph was the residence of most of the workers. (It was in this business venture, by the way, that Rolph lost a large part of his fortune, which he later recovered.) Today a sawmill has replaced the one-time shipyards. The official vote of the last primary election shows that Rolph carried Rolph by a big majority.

PICK LOCAL CONTENTERS FOR RADIO AUDITION

With more than 50 young men and young women singers entered in the Los Angeles audition of the fourth national radio audition sponsored by the Atwater Kent Foundation, two brilliant singers were chosen to represent the metropolis in the State audition to be held the latter part of this month.

The two winners, chosen for their outstanding brilliance were Miss Sylvia Beardsall, soprano, and Gordon Berger, baritone. Miss Beardsall stood out above the remainder of the contestants, all of whom were far above the average amateur singers, for her accuracy and quality of voice.

Domingo Aberasturi of Sutter, is no slouch at killing rattlesnakes, tas killed 297 rattlers in the last two years.

Journal regular meeting thereof held on the 1st day of October, 1930, and that the same was passed by the following vote:

AYES: Councilmen: Reavis, Stewart, Layton, Lees and Myers.
NOES: Councilmen: NONE.
ABSENT: Councilmen: NONE.

City Clerk of the City of Sierra Madre.

CHARACTERS ASSIGNED FOR A CLUB PLAY

The first offering of the Dramatic section of the Woman's club for the current year will be "Pomeroy's Past," a clever comedy drama to be presented at the Clubhouse, Saturday night, October 25, the second night of the Fall Flower show.

Under the capable coaching of Mrs. J. Milton Steinberger, a clever story unfolds dealing with the adoption and later kidnapping of two small orphans, with mystery shrouding "Pomeroy's Past," the erstwhile hero.

This is the cast: Pomeroy, R. M. Finlayson; Amanda, Miss Edna R. Green; Mary, fiancée of Marsh and in love with Pomeroy, Viola Fennel Lockhart; Edward Marsh, Lester Bodine; Dr. Hemmingway, R. O. Caulkin; Hilda, a nurse, Marie Jenkins; Edge, the butler, Emil Sturmthal; Tom Flynn, from out West, N. B. Hut-ton.

Miss Cricket Caukin, who has just returned from Berkeley, and assisted the director there in several dramatic productions, will be the prop.

STATE OPENS HIGHWAY INSPECTION STATIONS

Two of nine new highway inspection stations just opened by the State Department of agriculture are at Lamanda Park and El Monte. Check of grapes and other produce moving to market in trucks will be made at such stations and will be more complete this season than in previous years.

Reports of movements of grapes through these stations are being forwarded daily to the grape control board as a means of aiding it in handling the 1930 crop.

GLENDDORA USES COCOS PALMS TO BEAUTIFY CITY

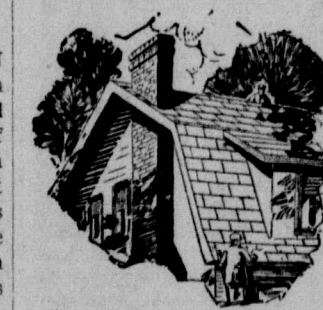

Glendora, the nearby foothill neighbor, is the latest Southern California city to adopt the beautiful cocos plumosa palm, so admirably adapted to the foothill country, as the decoration for its principal business and residential thoroughfares.

The planting of Michigan avenue, Glendora's principal street, has just been completed through the efforts of the city's chamber of commerce which started a beautification campaign some time ago. The effect is striking and the whole population is immensely pleased with the transformation the feathery palms have made.

A "shopping committee" of the chamber was able to buy several trucks of trees 12 to 16 feet high at less than the estimated cost. They are more mature than the trees recently planted in Pasadena, Altadena, Temple City and many other local communities that have used cocos plumosas in their city beautiful programs.

To aid in the campaign the Glendora Council agreed that the city would plant, water and care for the trees which were purchased from a fund raised by the chamber of commerce from affected property owners and lease holders. There was a public ceremony when the first tree was planted, the Mayor digging the hole.

Unable to find feed in the drought stricken areas of the middle west, thousands of ducks will swarm into California within the next few weeks to make this season one of the best in years for California duck hunters, according to Fred G. Steventon, director of the state department of natural resources.

Whipper Wins Probation

Mrs. Don Daugherty, 17, convicted of horsewhipping three Mooretown, Calif., schoolgirls as result of a gossiping feud, was granted probation upon appearing for sentence in court Monday. Her 22-year-old husband, tried also on the charge, was acquitted.

VAUDEVILLE ADDED TO ARCADIA'S BILLS

The newly remodeled Arcadia Theatre will this week inaugurate a new policy of combined motion picture and vaudeville features. On Saturday night, October 11, five acts of vaudeville will be an added attraction and if this type of entertainment appeals to Arcadia patrons, similar bills will be continued throughout the season.

Wednesday night will be "Gift Night" and lucky patrons will secure valuable prizes now on display in the foyer of the theatre. Thursday night will be "Ladies Night" and all of the fair sex accompanied by gentlemen escorts will be admitted free of charge. Friday night is "College Night" and a "red hot" show is promised for the more "peppy" younger generation. Saturday matinee will be devoted to a program of interest to the children with special favors for the kiddies.

Some notable motion pictures are booked for the coming week. On Friday and Saturday, October 10th and 11th Benny Rubin, Rex Lease, Alice Day and Pert Kelton will be seen in "Hot Curves." This is a baseball picture that keeps up an exciting theme throughout. Harry Langdon in "The Shrimp," and Paramount News will accompany the feature.

Sunday, Monday and Tuesday, October 12, 13, 14, Norma Shearer in "Let Us Be Gay," one of the best pictures of the year, will be presented as well as a musical novelty "The Clock Shop" and Mickey Mouse in "The Fire Fighters."

Wednesday and Thursday, October 15th and 16th, Kenneth Harlan, Marceline Day and Tom Santish will thrill their admirers in "Paradise Island," a picture taken in the tropical seas.

'Little Bear' Movie 'Extra' A Real 'Star' Outside The Films

With the arrest in Hollywood of Pasadena, "Little Bear" is alleged to be the epidemic of raids on chicken ranches and hen houses in Arcadia and other towns of the San Gabriel, Pomona and San Fernando valleys has suddenly ended and "Little Bear" is said by the police to be a real artist outside the films.

With John Frederick Crossley, of Pasadena, "Little Bear" is alleged to have had a contract with a Los Angeles cafe proprietor to furnish \$125 worth of chickens weekly. His extraordinary ability to enter a chicken yard noiselessly, quiet watch dogs, stop the squawk of chickens and quickly appropriate the birds, enabled the noble redman to easily fulfill his contract on schedule, according to the police.

Captain Howard Brooks of the Los Angeles police department is of the opinion that before the Indian and his companion were taken into custody they had succeeded in securing and selling nearly \$20,000 worth of poultry in the last few months.

John A. Ropp has recovered his automobile which was stolen over three months ago.

Mrs. Caroline H. Webster reopened her Art Studio at 6 North Baldwin avenue, October 1st.

Mrs. F. K. Miller, sister of W. R. Humphries, is expected to return home from San Francisco, October 15.

Mrs. Thelma Laird Schultheis would like to meet anyone who is interested in Dramatic Art at the Masonic Temple Saturday afternoon, October 11, from 3 to 4 o'clock.

NATION'S BEST COLUMBIANA EXHIBITS ARE FOUND AT HUNTINGTON LIBRARY AND GALLERY

Portrait of Christopher Columbus By E. G. BARCONE

Columbus Day has centered interest in the Huntington Library and Art Gallery where special exhibits of Columbiana are on view in the neighboring city of San Marino.

Among them is the only authentic portrait of Columbus that has ever come to light. It was painted by a Flemish artist, Antonio Moro, court painter to Charles V and Phillip II of Spain, for Margaret, Regent of the Netherlands, after a miniature, done during the life of Columbus, for the Spanish Court. Moro's portrait was first exhibited in this country in 1892, at the Chicago World's Fair—on the 400th anniversary of the discovery of the Americas.

Columbus had become a great hero, and the artist clothed him in the robe of a Flemish nobleman, put five rings on the forefinger of his left hand and another ring on his little finger. It is suspected that the artist, wishing to please his Hapsburg patrons, may have given Columbus a Hapsburg chin.

Such treasures make the Huntington Library one of the richest storehouses of source material relating to the discovery of America, and to the issues, political and otherwise, which the discovery raised.

"ADORATION OF THE MAGI" WOODCUT OF COLUMBUS TIME

Take the Vesputius-Columbus controversy. Although Amerigo Vesputius is said to have crossed the Atlantic five years after the first voyage of Columbus, he named the western world after himself—America. The named was proposed in his "Cosmographie Introductio," a beautifully written narrative, which is preserved on the same shelf in the Huntington Library with the letters written by Columbus, describing his voyages.

The first biographical sketch of Columbus ever printed, the first printed editions of the letters of

Columbus, the Vesputius narrative and the psalter, are here, together with the life of Columbus, by Fernando, his son, published in 1571.

The source material in this library is equally completed on all phases of early American history. The collection of Pizarro-La Gasca manuscripts, containing letters signed by Pizarro himself—describing his conquest of Peru—are here.

The gift to the people of California of this "collection of 12 great European and American libraries" was, according to A. S. W. Rosenbach, America's most distinguished dealer in libraries, the most important gift ever made by anyone to the people of his State.

The library and art gallery has been visited during the last few months by some 350,000 persons, and visitors are becoming acquainted with its treasures at the rate of about 500 a day.

Many are surprised to learn that this institution is taxed. Out of the income from its endowment, which is its only source of support, it must pay taxes on the grounds, buildings, books, manuscripts and art treasures. To view its treasures, a person needs to do nothing more than to sign an application, the purpose of this application being to limit the number of daily visitors to about 500, since no more can be accommodated.

MANY STARS COMING TO THE EGYPTIAN

Notable stars are appearing at Warner's Egyptian theatre in Pasadena this week. Tonight and tomorrow, October 10 and 11, Jack Mulhall and Sally Starr in "For The Love O' Lil" and William Collier Jr., and Pauline Starke in "A Royal Romance" are the features, with a number of selected short subjects of special interest as added attractions.

Tomorrow (Saturday) October 10th, there will be a special matinee for the children starting at 2 o'clock at which the youngsters may register for the new "Mickey Mouse Club."

Sunday, Monday and Tuesday, October 12, 13, 14, the screen's cyclonic comedian, Joe E. Brown, better known as the "Clown Prince of Joy," will be seen in "Top Speed." This picture is held by the critics to surpass in mirth, Mr. Brown's former effort, "Hold Everything." There will also be all-talking comedies, a travelogue and sound news.

Wednesday and Thursday, October 15th and 16th a double feature bill will be presented with Bert Lytell and Patsy Ruth Miller in "The Last of the Lone Wolf" and Rex Lease and Vera Reynolds in "Borrowed Wives." A "Silly Symphony" and newsreel will complete the program.

The Four Leaf Clover club met on Saturday afternoon with Alberta Laws, 562 Woodland drive.

EX-SERVICE WOMEN TO ORGANIZE POST IN SAN GABRIEL VALLEY

Many women served their country during the World War as nurses, yeomanettes and marinettes and a survey shows a considerable number living in the San Gabriel valley, according to William C. Atkinson, commander, 18th District, American Legion.

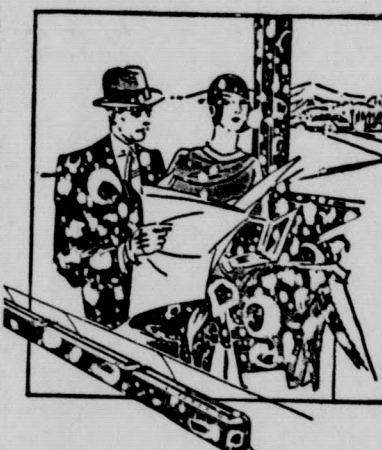

In order to afford these ex-service women full opportunity to enjoy the comradeship and activities of the Legion, a San Gabriel Valley Woman's Post is being formed, and a meeting will be called in the near future.

Virginia Hutchinson, 20 Bonita street, Arcadia, has volunteered to collect the names and addresses of all eligibles, and in order that no one may be overlooked when the meeting is called, all are urged to communicate with her.

SAN BERNARDINO MOUNTAIN FOREST REOPENED TO CAMPERS

All of the San Bernardino National Forest in Riverside county, closed on account of the fire hazard since July, was opened October 1, the change in weather making it possible for the forest service to allow hunters and campers in that area, according to an announcement made by Forest Ranger Kopenhaver of the San Jacinto district.

ALONG THE FOOTHILLS and in the Valley

Walnut shipments of the Puente district were held back until last Monday when the crop of 1800 tons began to move.

Hemet's Ramona pageant will not be repeated until next April but the community has already started to prepare for and to advertise it.

Only 40 cars of Valencia oranges remain in the Covina area for shipment through the local exchange, out of a total of approximately 640 cars for the passing season.

The county bridge department has completed plans for the construction of a reinforced concrete arch bridge on Pomona boulevard over the Alhambra wash.

Two citrus associations of Glendora have announced their intentions to build an addition to a packing plant and a new office building within the next two months.

About 500 tons of walnuts have been delivered to the Puente packing house, and this is approximately one-third of the 1930 crop, according to estimates of officials of the packing house.

Following an attack on a young girl by a Filipino there several weeks ago, Upland is gradually getting rid of its Filipino population. Many employers of labor dismissed all of their Filipino help. Now the lemon growers association has discharged 50.

S. T. King was not only fined \$100 for shooting a doe in the San Jacinto mountains but was made to carry the deer five miles into the jail at Hemet. Judge Dietterick, of Hemet, has imposed \$1200 in fines on deer hunters who have violated the law.

The East Pasadena Business Men's Association is so fearful that any discussion of politics at its meetings will cause discord that on Monday it refused to act on a resolution endorsing the \$20,000,000 veterans home loan bond issue that will appear on the November ballot.

Plans for a new \$205,000 physics building for Pomona College have been accepted by the board of trustees.

A uniform fine of \$1 is assessed against Claremont citizens who park their cars in the streets over night. Twenty were fined last week.

A lot 100 x 150 feet at First avenue and Diamond street, Arcadia, has been bought by the Woman's Club from Anita M. Baldwin and a modern new club building will be erected at once.

Final arrangements have been completed for the widening of Foothill boulevard through Upland, according to officials in charge of obtaining rights-of-way for the improvement.

In anticipation of early and sufficient rains, County Flood Control Engineer Eaton has decided to release all by 200 acre feet of water from the Big Santa Anita dam on November 15.

Arcadia has employed an engineer at \$25 a day to make a survey of the water situation there preparatory to the launching of a bond issue campaign to provide funds for new pumps, reservoirs and pipe lines.

The 50-year old eucalyptus trees of great height planted by "Lucky" Baldwin on the north side of the Pacific Electric tracks on Huntington Drive in Arcadia are being taken down. The irrigation ditch along which they were planted was long ago removed and many were dying. Besides they were along the right of way of Arcadia's new boulevard connecting that city with Pasadena and the contractor building that thoroughfare removed them notwithstanding a vigorous protest by many citizens.

Annexation to San Gabriel was defeated by a vote of 257 to 121 when the residents of 200 acres of Wilmar lying South of San Gabriel voted on the question at a special election last week. They will remain in unincorporated territory.

Prohibition Vote Exceeds Democrats Outside City Of L.A.

Approximately 850,000 residents of Los Angeles county are registered for the November election—415,036 in the city of Los Angeles and 372,756 in the districts outside. The Republican enrollment in the city is 336,235 and outside 263,332. There are 92,287 Democrats in the city and only 3,283 outside. The Socialist enrollment in the city and county is 4,684, while 68,999 persons refused to give any party affiliation.

The Prohibition party, with an enrollment of 5,103 in the outside districts, leads the Democrats. The registration season for the Fall Election closed Saturday.

CITY'S HOMELINESS BRINGS MEYERS' BACK

Mr. and Mrs. F. Meyers and son, Peter, have returned to Sierra Madre after residing in Chicago eighteen months.

They have decided that Sierra Madre is the ideal spot to live and have planned to make this their permanent residence. Eleanor, John and William, the other members of the family, will join their parents here after Christmas.

Hawkes Birthday

(Continued from Page One)

hibition is a loss of his personal liberty.

In this respect he said he was once approached for a church donation which he usually had been willing to give. This time he refused. When asked by the visiting minister as to his reason for refusal, Mr. Hawkes informed the pastor that "good whiskey used to cost \$15 a gallon and I gave the church \$200.00. Now since they have taken away my personal liberty through prohibition, I have to pay \$200 for the whiskey and there's less left for the church."

With The Indians

His past is interesting. In retrospect, picture a six year old boy leaving the old fishing town of Marblehead, Mass., with his mother and father bound on a long journey to Fort Dearborn and the frontier village of Chicago. From Boston to New York by train, then on to Buffalo through the old Erie canal. From Buffalo to Detroit on a lake sailing vessel in company with a band of Winnebago Indians, thence to Chicago, the last safe outpost of civilization. Council Bluffs was then a hotbed of unrest.

At the age of 14 young Hawkes lost his father and became the family support. After completing a common school education, he entered the publishing business and became a partner in the publishing firm of Gibbs, Nichols and Hawkes.

In 1882, he married Louise Starrett, of Chicago, and for 31 years previous to her death she was his constant advisor and helpmate.

Later, tired out from the strenuous business life of Chicago, he went to Colorado Springs to take a well earned rest. While there he met some mining men from Leadville among whom was Sanford C. Robinson, a mining engineer, with whom he entered partnership and later became owner of the Ruby Chief, silver mine. In 1882 Mr. Hawkes was presented with a gold medal award at the Denver Smelting Exhibition for excellence in smelting operations. From there on Mr. Hawkes followed a long and successful career and until 12 years ago when he came from Montana to Sierra Madre, was active in the business world.

A Plain Diet

He still holds sacred a beautiful memory of his wife and although he makes no attempt to explain her continued influence over his life, he does believe that in spirit she stands at his elbow and guides him on o'er the bridge of years.

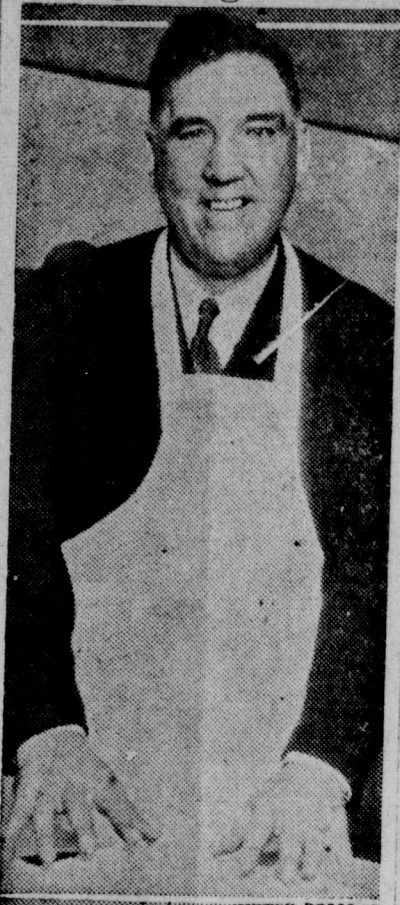

He is justly proud of his children, all of whom have attained notable positions in life. His daughter is Mrs. Charles Carnahan, wife of a prominent Chicago lawyer. His son, Benjamin C. Hawkes, is president of the Standard Manufacturing Company of Chicago and vice-president of the U. S. Playing Card Company. Another son, Albert W. Hawkes, is president of the Congoleum-Nairn Corporation, of Philadelphia.

His granddaughter, of whom he is especially fond, is Louise Restieux Hawkes, a lecturer of considerable note and a teacher of Italian and French at Scripps College.

His diet consists of almost everything anyone else would eat, though he admits that he has to practice moderation. Fruits, cereals, meats and vegetables he enjoys and these he prepares in a kitchen equipped with every modern convenience.

This year he is looking forward to spending his birthday with his granddaughter at Scripps College and he contemplates this joyous occasion with keen delight.

Big Dough Man

Jess Willard, former heavyweight champ, is in the dough again—but this time it's bread dough. Jess is shown above kneading dough in the bakery of his new 17-department food store in Hollywood.

Recent Candidate For Supervisor Is For Thatcher Now

Col. Robert E. Frith, Monrovia, candidate in the recent primary election for a place on the first district supervisorial ticket, issued a signed statement in which he urged support for Hugh A. Thatcher. The statement follows: "Since the primaries I have made a thorough investigation of the qualifications of the candidates for the office of supervisor from the first district, and have come to the conclusion that Hugh A. Thatcher is the best qualified man to fill the position."

"Since the primary his strength has been growing rapidly and there seems to be no question of his election."

Mrs. William E. Goff of 329 West Highland avenue, has been enjoying a visit from her mother, Mrs. Ida Tenney of Los Angeles, for the past two weeks. Mrs. Tenney expects to return home the latter part of this week.

What's Your Hurry? Asks Police Head

Chief McMillen Makes Plea For Cautious Driving In Sierra Madre

By GORDON McMILLEN
Chief of Police

Be cautious at intersections as well as elsewhere, it pays—well. And this applies to pedestrians as well as motorists.

It is generally conceded by experts who have made a study of automobile accidents and their causes that the "reaction time" of the average driver is one second.

In other words, if the average driver sees an obstruction in the path of his car it takes one second after seeing the obstruction to start to push the brake or turn the wheel or do whatever is necessary to avoid a collision.

An automobile traveling at 40 miles per hour goes 58.6 feet per second, and if the obstruction is any closer than that when the driver sees it, he hits it without making any effort to avoid it.

There are very few intersections in Sierra Madre where the speed limit is over 15 miles per hour, according to the state law. Many of the streets are narrow, (36 feet between curbs, many less than that) and consequently at intersections are very dangerous.

Keep within the speed limits, especially at intersections. Isn't it better to slow down and get safely through, even if you do lose a few seconds, than to smash your car up, possibly go to the hospital (or the morgue) and then argue about who has the right of way?

Just what is your hurry, anyway?

EASTERN STAR'S RECORD FOR ATTENDANCE BROKEN

The meeting of the Eastern Star held last Monday evening, October 6, brought out the largest attendance in its history and "The Silver Cord," presented by Mrs. Thelma Laird Schultheis, was enthusiastically received by the large audience.

Edith Noshier, Benjamin S. Stinman, Orville Stinman and Thomas P. Buie were initiated. The American Legion Auxiliary attended the social hour.

The City Hall and the Sierra Madre Savings Bank will be closed Monday, October 13, in honor of Columbus Day, a legal holiday, which falls on a Sunday.

H. Clay Reavis has charge of the school census which will include all children in Sierra Madre from the ages of 3 to 18 years. The census is being taken under the direction of the Superintendent of Schools of Los Angeles County.

The survey in Sierra Madre, in which the school teachers and pupils themselves are assisting, will be completed this week.

DONALD C. PARKER TO WED HJORDIS KITTLE OF LOS ANGELES SOON

Mrs. G. F. Kittle of Los Angeles, has formally announced the engagement of her daughter, Hjordis, to Donald C. Parker, son of Mr. and Mrs. Herbert C. Parker of 192 North Baldwin avenue, Sierra Madre.

Miss Kittle attended the University of California at Los Angeles. Her father, A. F. Kittle, recently resigned the position of Norwegian Consul in Los Angeles, which he has held since coming to California over 15 years ago.

Mr. Parker is a graduate of the University of Southern California and is at present employed at the Northrop Aircraft Corporation at the United Airport in Burbank. He has been a resident of Sierra Madre for the past 10 years and is well known in musical circles here.

The date for the wedding has not been set.

GIVE THOUGHT TO BOULDER DAM WATER SUPPLY

The Chamber of Commerce at a meeting of its board of directors Monday night took official cognizance of the importance of the water situation in Southern California by appointing James C. Heasley to attend a meeting of representatives of various chambers of commerce from cities not now included in the Metropolitan Water District. The advisability of these cities joining the district and placing themselves in a position to secure part of the Boulder Dam water allotment will be discussed at this meeting, which will be held at Lynwood tomorrow.

Rodney E. Davis, a business engineer and efficiency expert who has resided here for six months, was invited to address Monday's meeting and he presented an analysis of local conditions he has made along with various suggestions which caused President Davies to appoint a committee consisting of himself, W. R. Humphries and W. E. Craig to confer with Mr. Davis and make a report to the Chamber on any conclusions that may be reached. James C. Heasley suggested that the chamber recommend to the City Council purchase of two lots adjoining the swimming pool in Canyon Park for a recreation park and parking site for automobiles so that the pool will not be hemmed in by residences and approaches to it cut off. Mr. Heasley and W. R. Humphries were appointed to confer with City Solicitor Phil Dodson on a method for acquisition of the properties.

The Chamber voted to endorse the proposal that the Huntington Library and Art Gallery shall be exempted from taxation. The proposal will appear as subject No. 9 on the ballot at the November election and has been unanimously endorsed by the Los Angeles Chamber of Commerce.
